

Press Release 23 August 2018

Double celebration at Andalusia Academy Bristol on GCSE results day 2018

The GCSE results of Andalusia Academy Bristol (AAB) coincides with the days of Eid-ul-Adha celebrations which makes it a double celebration due to the outstanding performance of its pupils.

87.5% of pupils scored grade 4 and above in 5 or more GCSE subjects (i.e. old grade C and above).

81.3% of pupils scored grade 4 and above in 5 or more GCSE subjects including English and Maths.

31.3% of pupils scored grade 7 and above in 5 or more GCSE subjects. This means that about a third of pupils are achieving the old grade A and above in 5 or more GCSE subjects.

This is a remarkable achievement overall, with one pupil (Sana Khan) scoring grade 9 in 4 subjects, grade 8 in 5 subjects and grade 7 in the remaining subject.

Mrs Maqsood (Principal) said: "Andalusia Academy Bristol is proud of its results record every year, not only in GCSE scores, but also in the SATS scores of both Key Stage 1 and Key Stage 2. This is due to the very hard work of staff who go out of their way in order to help pupils".

Sana Khan said: "what can be gathered from these achievements we have made as a class is that unity is everything; the support of teachers to students, and students to students. Run to success together, not alone. Most importantly I have learnt that you must never hold back from asking a question. Never. I am thankful to all our teachers for supporting us, helping us to break stereotypes and treating us like their own daughters. I will now be going on to do my A levels and hope to study medicine in the near future."

Another pupil, Najma Ali said: "I came to Andalusia Academy in Year 4 and it has been the best decision of my life. I realized that I had a lot of potential and skills and I needed to use them. Fortunately they showed in my GCSE results getting Grade 5 and above. I am grateful for the school and its help to achieve my maximum potential."

Another pupil, Nabeela Abdi said: "I have learnt so much in my 5 years at Andalusia Academy, and have met many wonderful people. This is a place where I have learnt so much and will remember and cherish for the rest of my life. I am happy with the excellent results I got and would like to thank all the teachers who dedicated so much of their time in preparing us for these exams."
